ICE AGE™

JOURNEY TO THE ICE AGE AS THE DINO-RIDERS ENTER THE AGE OF THE GIANT MAMMALS

WALKING WOOLY MAMMOTH

Nothing stands in the way of this awesome creature. Motorized walking action moves the mighty mammoth into battle. Features pivoting laser cannons, side-mounted rocket launchers and includes Grom, Neanderthal Caveman.

KILLER WART HOG

Powerful jaws that open and close and a saddle-mounted flame-thrower make the Killer Wart Hog a living nightmare. Comes with Zar, Cro-Magnon Caveman.

SABRE TOOTH TIGER

Unleash the power of the Sabre Tooth Tiger. This sleek cat is double dangerous with twin rotating phaser guns. Comes with Kub, Cro-Magnon Caveman.

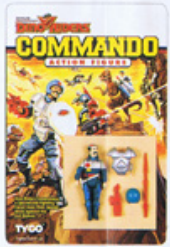

GIANT GROUND SLOTH

In battle, the Giant Ground Sloth rears up on its hind legs, towering over the Rulon enemy. Removable Command Module transforms into an Armored Ice Age Igloo! Comes with ULK, Neanderthal Caveman.

ICE AGE FIGURE COLLECTION

All new figure collection featuring Neanderthal and Cro-Magnon Cavemen. Heroic Dino-Riders and Evil Rulons.

COMMANDO ACTION FIGURES

Collect the entire elite Dino-Riders Commando Team. Six different Commandos, each with working weapon accessories.

DINO-RIDERS ICE AGE VIDEO

The Dino-Riders explore the Ice Age in this all-new, 30 minute, fully animated VHS Videocassette. It's an endless winter where cavemen struggle for survival against giant, prehistoric mammals.

BRONTOSAURUS

The battle explodes with action when this authentic Brontosaurus rumbles onto the scene! Features rolling land mines, 3 prehistoric Rhamphoryncas pterosaurs with clip-on missiles, fold-out landing pad, working hatch with interchangeable hooks and a full array of rotating laser cannons. Includes heroic Dino-Riders Ayce, Ion and Serena.

Action

WALKING DIPLODOCUS

This Dino-Rider Diplodocus is a motorized walking fortress, fully armed with futuristic weapons. Questar, the leader, controls four neck cluster rockets and two laser tail guns. Aries and Mind-Zei spring into battle from the hidden armed battle pods.

DIMETRODON

The sneaky Dimetrodon is the Dino-Riders' secret weapon. Heroic figure Shado hides behind his huge sail ready to spring on unsuspecting Rulons. Features snapping jaws and anti-aircraft seat with twin laser guns and removable sail shield.

CHASMOSAURUS

Armed with pivoting laser cannons, Chasmosaurus, with battering ram head and tail, strikes terror wherever it goes! Comes with Heroic Dino-Rider Powl.

Harness the Power of Dinosaurs. DINO-RIDERS®

PROTOCERATOPS

The rugged Protoceratops is the Dino-Riders' armored personnel carrier. Heroic Kanon rides into battle with Nite-Glow® viewing port and blazing side guns.

EDMONTONIA

The Edmontonia is the Dino-Riders' combat-ready sentry post! Heroic action figure Axis repels Rulon attacks with flip-up armor. Battle action-spinning bumpers create a defense no enemy can penetrate.

PACHYCEPHALOSAURUS

The boneheaded Pachycephalosaurus is a pre-historic battering ram. Trigger-activated butting rams and top-mounted laser guns get Dino-Rider Tagg out of some pretty close calls.

WALKING STEGOSAURUS

The awesome Stegosaurus has Real Motorized Walking Action. Brave Dino-Riders Tark and Vega are at the helm behind the protective cover of positionable Dual Command Modules. Features state-of-the-art equipment, Dual Laser Cannon Clusters, three long-range missiles mounted on impenetrable armor shields and a double-edged tail blade.

WALKING
Action

WALKING PACHYRHINOSAURUS

This massive horned pre-historic battle machine is fully-armed and ready for trouble. Motorized walking action brings this mighty Dinosaur alive.

Harness the Power of Dinosaurs. DINO-RIDERS®

RULONS®

PLACERIAS

The Rulon Placerias is kept under control with the removable Brain Box. Evil warrior Skate guides the missile-launched gripper jaws for trapping other dinosaurs.

QUETZALCOATLUS

This pre-historic fighter plane features flapping battle-action wings, opening jaw and poseable head. Weapons include removable launching wing missiles. Evil Rulon Warrior figure included.

TYRANNOSAURUS REX

The most terrible Rulon war machine of all and it WALKS! This authentic T-Rex is controlled by Krulos and 2 of his evil henchmen. Fully-armed and ready for battle.

WALKING
Action

KENTROSAURUS

The Kentrosaurus is a fierce fighting steed with deadly spikes on its back, tail and shoulders. Evil Rulon Krok activates the flexible tail-mounted whipping Mace from inside the Gull-wing armor shields.

SAUROLOPHUS

The muscular Saurolophus is a menacing enemy with its fold-out Belly Spikes. Evil Rulon Lokus atop the pivoting, pulse cannon keeps the Saurolophus slave to the horrible Brain Box. Features spring-loaded Hidden Rock Bunker for surprise Rulon attacks!
